This Memorandum of Understanding (“MOU”), entered into by Kern County Hospital Authority (“Authority”), which owns and operates Kern Medical Center (“KMC”), and Committee of Interns and Residents/Service Employees International Union Local 1957 (“CIR/SEIU” or “Union”), has as its purpose the setting forth of the full and entire understanding of the parties regarding the matters set forth herein, reached as the result of good faith negotiations regarding the wages, hours, and other terms and conditions of employment of the resident physicians covered hereby. Pursuant to Government Code section 3505.1, this MOU is jointly submitted and recommended for approval, and implemented in accordance with its terms, to the Kern County Hospital Authority Board of Governors.

ARTICLE I – RECOGNITION

Section 1. Union Recognition

On January 12, 2010, CIR/SEIU was approved and certified by the Kern County Board of Supervisors as the exclusive bargaining representative of all interns, residents, and fellows (collectively, “resident physicians”) employed by the County of Kern on behalf of KMC. The Authority continues to recognize CIR/SEIU as the exclusive bargaining representative of all resident physicians employed by the Authority, pursuant to Health and Safety Code section 101853.1(d)(1).

Section 2. Full Understanding; Modifications; Waiver

- a. This MOU sets forth the full and entire understanding of the parties regarding the specific matters set forth herein and any other prior or existing oral or written understandings or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.
- b. Except as specifically provided herein, it is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right and agrees that the other shall not be required to negotiate with respect to any subject or matter covered herein, during the term of this MOU.
- c. No agreement, alteration, understanding, variation, waiver, or modification of any terms or provisions contained herein shall in any manner be binding upon the parties hereto unless made and executed in writing by the parties hereto, and approved by the Kern County Hospital Authority Board of Governors.
- d. Waiver of any violation of this MOU, or failure to enforce any of its terms shall not constitute a waiver of the right to future enforcement of any of its terms.

Section 3. Authorized Agents

For the purposes of administering the terms and provisions of this MOU:

- a. The Authority’s principal authorized agent shall be the Chief Executive Officer or his/her duly authorized representative (Address: 1700 Mount Vernon Avenue, Bakersfield, California 93306; Telephone (661) 326-2102), except where a particular Authority representative is specifically designated in connection with the performance of a specified function or obligation set forth herein. CIR/SEIU agrees to copy the Vice President of Human Resources

and the Director of Human Resources, Employee and Labor Relations on correspondence sent to the authorized agent.

- b. CIR/SEIU's principal authorized agent shall be the President of CIR/SEIU Local 1957 or his/her duly authorized representative (Address: 1545 Wilshire Boulevard, Suite 608, Los Angeles, California 90017; Telephone (213) 263-2212). The Authority agrees to copy the designated Internal Organizer on correspondence sent to the authorized agent.
- c. The Authority and the Union agree to notify the other party in writing within 10 business days of changes to the authorized agents.

Section 4. Status

Notwithstanding any other provision of this MOU, CIR/SEIU acknowledges and agrees that the resident physicians are appointed as physicians-in-training in graduate medical education training programs sponsored by KMC (individually and collectively, the "Program") and that this MOU does not confer upon any resident physician a benefit, promise, or other commitment that they will be appointed for a period beyond the date set forth in their individual Graduate Medical Education Agreement.

ARTICLE II – GENERAL PROVISIONS

Section 1. Dues and Union Security

- a. No discrimination or reprisal shall be visited against any such resident physician by either party based upon membership or non-membership in CIR/SEIU.

- c. CIR/SEIU shall have the exclusive right to the check-off and transmittal of dues on behalf of each resident physician in the unit, said dues to be checked off monthly from the paycheck of each resident physician, pursuant to the directive of CIR/SEIU, in such amounts as CIR/SEIU shall establish. The Authority agrees to forward said dues by the fifteenth (15th) day of the month after they are collected.
- d. The Authority agrees to a union dues check-off system whereby dues, as certified by CIR/SEIU to be current, will be deducted and paid to CIR/SEIU, subject to the provision of the County of Kern Employer-Employee Relations Resolution ("EERR"), or any successor Employer-Employee Relations Resolution adopted by the Kern County Hospital Authority Board of Governors.

After deductions are remitted to CIR/SEIU, the disposition thereof shall be the sole and exclusive obligation and responsibility of CIR/SEIU. Section 16. Resident Physician Impairment

- a. It is imperative that resident physicians not have their performance impaired by drugs, alcohol, or other circumstances. For resident physicians who feel they may have such a problem, the Employee Assistance Program (EAP) and any other program offered by the Authority are available. Every reasonable encouragement and support shall be given for this purpose.
- b. The EAP is available to all eligible resident physicians and their eligible dependents. The purpose of the EAP is to provide evaluation and if appropriate, short term counseling for issues which may affect work performance or personal life. Through a confidential self-referral process, any resident physician has an opportunity to discuss personal situations in strict confidence with a professional.
- c. A Department Chairman or Program Director may also make a formal referral if he/she feels that a resident physician's job performance may benefit from this service. No resident physician shall be disciplined or terminated for being referred to the EAP; however, disciplinary action may be taken for any underlying behavior or clinical performance issue, independent of supervisory referral.

Confidential matters may be addressed directly with the Vice President of Human Resources or the Director of Human Resources, Employee and Labor Relations.

If the issue is not resolved, resident physicians may file a formal complaint with ACGME. The Authority will not retaliate against any resident physician for reporting concerns or participating in the resolution process and continues to offer supportive resources through the various medical benefit programs.

The PTL may be issued for up to thirty-nine (39) months if the resident physician is enrolled in an ACGME-accredited residency program in California. This allows the resident physician to complete the thirty-six (36) months of required training for licensure and grants the resident physician ninety (90) days to obtain the physician's and surgeon's license while they continue their training. If the physician's and surgeon's license is not issued by the end of the ninety (90) day grace period, all clinical services in California must cease.

Registrations may be obtained on a fee-exempt basis while in training in a Program. However, such registrations are restricted to activities within the scope of the Program (including activities at KMC sites and other affiliated training sites). Exemption from payment of the individual registration application fee is limited to federal, state or local government duties (21 C.F.R. § 1301.21). Resident physicians who engage in outside professional activities (e.g., moonlighting) at any site outside of the Program must obtain an individual DEA registration and may not use their fee-exempt registration for this purpose.

ARTICLE VI – BENEFITS

Section 1. Eligibility

Resident physicians enrolled full time in a Program are entitled to full benefits. Resident physicians employed at 0.5 FTE or greater but less than full time are eligible for prorated benefits. Resident physicians employed less than 0.5 FTE are not eligible for benefits. All requests for less than full time status must be approved by and are at the sole discretion of the Department of Medical Education upon recommendation of the Program Director. The Authority shall continue to provide an annual open enrollment for resident physicians to change plans and/or enroll eligible dependents.

Section 2. Health Care Coverage

Resident physicians shall receive the same health benefits (medical, dental, prescription and vision coverage) as all eligible Authority employees. The employee share of cost is 20% of the current biweekly premium. Resident physicians are eligible for coverage the first day of the biweekly payroll period coincident with or next following the day they complete one month of continuous service. The resident physician’s initial hire date is the initial opportunity to enroll in the health plan. Resident physicians must work at least 40 hours per biweekly pay period to be eligible for coverage.

Section 3. Flexible Spending Accounts

Resident physicians are eligible to participate in flexible spending plans to pay for dependent care, non-reimbursed medical expenses, and certain insurance premiums on a pre-tax basis through payroll

deduction. This is a voluntary benefit that is paid by the resident physician if he/she elects to participate in the plan.

Section 4. Workers' Compensation

The Authority provides workers' compensation coverage as required by law to protect employees who are injured on the job. This coverage provides payment for medical expenses and temporary disability (in lieu of lost earnings) for workers who are injured in the course of their employment. Temporary disability payments begin on the first day of hospitalization or after the third day following a lost time injury if employee resident physician is not hospitalized.

Section 5. Disability Insurance Plan

The Authority shall make a monthly contribution to the CIR/SEIU House Staff Benefits Fund (HSBF) in the amount of \$12.00 for each resident physician who is actively employed on the first day of each month, for the purpose of providing short-term and long-term disability benefits.

Section 6. State Disability Insurance

The Authority has an integrated disability plan with the state. The resident physician's wages are integrated with the disability payments from the state, which enables the resident physician to extend his/her sick leave or vacation leave. The resident physician's wages (sick leave and vacation leave used) are offset by disability payments and the corresponding sick leave and vacation time is restored to the resident physician's sick leave and vacation balances.

State disability applications are available from the KMC Human Resources Department or online at www.edd.ca.gov/disability. Resident physicians who file for state disability insurance are required to submit the Notice of Computation to the KMC Human Resources Department for purposes of integrating sick or other eligible leave time with state disability benefits.

Section 7. Retirement

Resident physicians are eligible to participate in the Kern County Deferred Compensation Plan (457 Plan) on a pre-tax basis. Resident physicians shall be required to make all contributions if electing to participate in the 457 Plan.

Section 8 Meals

- a. Each resident physician, while on duty at KMC, shall be permitted to take meals in the KMC cafeteria during regular business hours. Resident physicians shall be given a meal allowance of \$200.00 per biweekly pay period that will be direct deposited and appear as a separate line item on their biweekly pay statement. Resident physicians shall receive the customary cafeteria employee discount for KMC staff in effect from time to time. The meal allowance will be prorated based upon the number of days in the last pay period a resident physician is employed by the Authority.
- b. KMC shall arrange that the food left over from the food prepared daily for resident physicians be packed, date stamped with preparation dates, and stored at the end of the day so that the food is available for the night meal. KMC shall prepare sufficient food daily to ensure that

healthy night meals are available or provide frozen meals for all resident physicians who are assigned to nighttime duty or in-hospital on-call duty.

- c. KMC shall make every reasonable effort to provide meals in the cafeteria with sensitivity and consideration to a greater variety of dietary needs, including full vegetarian, kosher, and ethnic-specific diets on a daily basis.
- d. The Authority agrees to provide periodic education to the Nutrition Services Department on the dietary needs outlined in this MOU.
- e. The Authority agrees to periodically survey resident physicians regarding meals.

Resident physicians are responsible for maintenance of the lab coats. Scrubs will be issued to resident physicians in General Surgery, Emergency Medicine, and OB/GYN, and all resident physicians on rotations in these departments. Scrubs will be issued via a scrubs vending machine. Resident physicians will be given a card that allows access to two sets of scrubs at a time. One set of scrubs shall be issued to Internal Medicine and Psychiatry resident physicians.
- b. In addition to the above scrubs allocation, each resident physician shall receive a uniform reimbursement allowance of \$150 per year. This reimbursement allowance can be used at the discretion of the resident physician and will have no rollover value and/or value upon separation from employment, and may not be transferred to or shared with other resident physicians. The reimbursement allowance expires at the end of each academic year.

Section 10. Professional Training

- a. Every resident physician must be certified in basic life support (BLS), advanced cardiac life support (ACLS) and fundamental critical care support (FCCS). To assure that all resident physicians get certified on the first day of duty, KMC shall pay the American Hospital Association the fees for certification, which subsequently provides the books and materials for the classes as part of that fee. The Medical Library has one copy of BLS and ACLS books for reference and use only in the library. The Medical Library will not check out books used for certification or recertification purposes. It is recommended that resident physicians keep the initial books issued for the recertification process. In addition, each emergency medicine resident physician shall be certified in advanced trauma life support (ATLS) and neonatal resuscitation program (NRP); each OB/GYN resident physician shall be certified in NRP; and each surgery resident physician shall be certified in ATLS and fundamental laparoscopic surgery (FLS).
- b. KMC shall be responsible for the cost and coordination of all the required recertification classes listed above. KMC through its Department of Graduate Medical Education shall work with each Program to schedule the recertification classes during times when the majority of resident physicians are able to attend. Resident physicians shall be notified at least two weeks in advance of the scheduled class(es), in order to ensure their attendance. KMC shall email

each resident physician every six months with the expiration dates of their required certifications.

- c. KMC may reimburse for required training and/or recertification training costs from non-KMC providers if a resident physician can submit proof with the claim for reimbursement demonstrating that they (1) notified the Associate Director of Medical Education at least sixty (60) days in advance of the requirement/expiration of difficulty with scheduling mandatory training or recertification due to vacation leave and/or work schedule, and (2) provide documentation of such conflict at least sixty (60) days in advance of the requirement/expiration of mandatory training or recertification. All reimbursable expenses are subject to KMC policies regarding employment related expenses.

Section 11. Resident Wellbeing

- a. The Authority maintains its commitment to the wellbeing of resident physicians. The Authority will continue to support its commitment to the wellbeing of its resident physicians through the established Resident Wellbeing Committee, for which all resident physicians have access. Resident physicians are highly encouraged to participate in both departmental and organizationally sponsored events through the Kern Medical Center Foundation and/or other means as deemed authorized by the Authority. "Resident Wellbeing" shall be a standing item on the agenda of each Labor Management meeting.
- b. The Authority agrees to issue an annual statement of commitment to graduate medical education and support through an investment of people, facilities and appropriate systems. Additionally, the Authority shall recognize its commitment to diversity, equity and inclusion in a learning environment, along with the Authority's ongoing mission to eliminate health disparities and transform healthcare to improve the lives of those served by KMC.

ARTICLE VII – TRAVEL POLICY

Resident physicians will be provided a travel allowance if they are in good standing in the Program as determined by the Program Director, Department Chairman, and Chief Academic Officer. All reimbursable expenses are subject to KMC's reimbursement procedures.

Three types of resident physician travel arrangements are eligible for reimbursement:

- Travel to attend a national meeting within the United States to present a first-author potential publication, abstract, or poster exhibit.
- Travel to attend a pre-approved education conference relevant to and the resident physician's Program within the United States. Upon return, under the direction of the Program Director, an educational report to the respective clinical department is expected.
- Attendance at mandatory rotations based on ACGME-approved curriculum, unless the host hospital or department provides food, mileage, and lodging.

Section 1. Education Benefit Travel

- a. Over the course of the Program, one (1) trip will be reimbursed for a national subspecialty education conference. Up to three (3) trips may be paid if the resident physician is the first author who is presenting an abstract or poster exhibit at a national meeting. However, in the interest of pursuing national recognition, one (1) additional trip may be permitted, if the resident

is the first author or is presenting an abstract or poster exhibit at a national meeting. Meetings outside the United States are not reimbursed.

- b. Resident physicians must request approval of prospective travel allowance by completing the KMC Travel Authorization Form six weeks prior to departure. Course syllabus or meeting brochures must be submitted and reviewed by the Program Director. The anticipated absence must be cleared by the Program Director for non-interference with coverage schedules.
- c. Standard meeting coverage includes airfare, up to two nights lodging for presentation trips, and three nights for educational meetings, related per diem meals, and incidental expenses as set forth in the KMC employee travel reimbursement policy. If more than one resident physician attends the same meeting, the hotel room should be shared if gender is the same. Travel reimbursement for a national subspecialty education conference is capped at \$1,500.
- d. If travel is by private automobile, current Authority established procedures must be followed and odometer readings before and after travel must be noted. Approved mileage rates, parking, and other driving expenses will be reimbursed pursuant to the KMC employee travel reimbursement policy. Proof of automobile insurance and a valid driver license must be provided.
- e. The resident physician must provide all original receipts for expenses to be reimbursed and must follow the KMC employee travel reimbursement policy to be eligible for reimbursement. Receipts should be submitted to the Program Coordinator no later than five business days after travel.
- f. If travel to the requested meeting is not approved, a separate request for personal time without reimbursement may be made to the Program Director. Educational leave is not subject to the ACGME duty hours rule.

Section 3. Travel for Outside Rotations

Resident physicians on mandatory rotations to attend Graduate Medical Education Committee approved rotations at UCLA campuses including Harbor, Olive View, and Ronald Reagan Medical Center, Cedars-Sinai Medical Center, and the VA Greater Los Angeles Hospital, may share the two-room KMC/UCLA apartments at no cost to the resident physician. The apartments are furnished and utilities are paid by KMC. Resident physicians on mandatory rotations at Valley Children's Hospital will be provided housing at a hotel selected by KMC at no cost to the resident physician. Resident physicians will be provided per diem and mileage reimbursement pursuant to the KMC employee travel reimbursement policy if not otherwise provided by the host hospital.

Elective rotations are not reimbursable.

TIME LIMITS

Time limits are established to settle grievances quickly. Time limits may be extended by agreement of the parties. If the grievant is not satisfied with the decision rendered, it shall be the grievant's responsibility to initiate the action which submits the grievance to the next level of review within the time limits specified. Failure of the resident physician to submit the grievance within the time limits imposed shall terminate the grievance process, and the matter shall be considered resolved. Failure of the Authority to respond within the time limits specified will allow the grievant to submit the grievance to the next higher step of the grievance procedure.

THE PARTIES' RIGHTS AND RESTRICTIONS

1. A party to the grievance shall have the right to record a formal grievance meeting at the expense of the requesting party.
2. The grievance procedure shall not limit the right of any resident physician to present a grievance individually.
3. A resident physician may have a representative present at all steps of the grievance procedure.
4. Reasonable time in processing a grievance shall be allowed during regular working hours with advanced supervisor approval. Supervisory approval shall not be unreasonably withheld.
5. Only a person selected by the resident physician from within a recognized resident physician organization and made known to management prior to a scheduled grievance meeting shall have the right to represent or advocate as a resident physician's representative.
6. Nothing within this grievance procedure shall be construed as limiting the right of management to manage the affairs of the Authority.
7. Grievances of an identical nature concerning the same subject matter may be consolidated.

INFORMAL GRIEVANCE DISPOSITION

Within twenty (20) days from the occurrence of the issue that gave rise to the complaint, or within twenty (20) days from the resident physician's knowledge of the occurrence (but no later than the expiration or termination of the resident physician's then-current appointment) a resident physician shall promptly and informally meet to discuss the complaint with his/her immediate supervisor. In those circumstances where the nature of the complaint involves the immediate supervisor, the resident physician may informally discuss the complaint with the next higher level of supervision, provided prior notification is given the immediate supervisor by the resident physician. Such initial discussion shall precede the use of the formal grievance procedure. If the supervisor fails to reply to the resident physician within five days of the meeting, or if the resident physician is not satisfied with the decision, the resident physician may utilize the formal grievance procedure.

Grievance forms are available at KMC for this purpose.

FORMAL GRIEVANCE PROCEDURE

- Step 1. The grievance form and any supporting documents shall be delivered to the Program Director/Supervisor with whom the informal meeting was held no later than five (5) days from receipt of the Program Director/Supervisor's informal response or within ten (10) days from the close of the informal meeting if no decision is rendered. The formal grievance procedure

shall be initiated by the resident physician, stating the nature of the grievance, the alleged violation by section or number, if any, and the desired solution, in writing on the grievance form, together with any supporting documents attached to the grievance form.

The Program Director/Supervisor shall hold a formal meeting with the resident physician within five (5) days of the receipt of the formal grievance to review the facts, gather all supporting documents, discuss the complaint and desired solution, and discuss the proper appeal procedure.

The Program Director/Supervisor shall issue a written decision on the original grievance form within five (5) days of the close of the formal meeting.

Step 2. If the resident physician feels the Program Director/Supervisor has not resolved the grievance, the resident physician may appeal to the next higher level of supervision (the Department Chair) and Chief Medical Officer (CMO) jointly. At this time, all supporting documents and evidence relative to the grievance shall be included with the appeal and made known to both parties. The Department Chair, together with the CMO, shall hold a formal meeting with the resident physician and his/her representative, if requested, within ten (10) days from the date of the appeal receipt, and attempt to settle the grievance.

A written decision shall be provided, which will include a copy of the original grievance form, to the resident physician by the CMO within ten (10) days from the close of the formal meeting.

Step 3. If the resident physician is not satisfied with the decision of the CMO, the resident physician may appeal the decision to the Chief Executive Officer (CEO) within five (5) days from receipt of the CMO's decision. In his/her appeal to the CEO, all supporting documents must be attached to the grievance form, together with the grievant's reason for appeal and stated remedy requested.

The CEO or his/her designee shall review the original grievance, all supporting documents, the CMO's response, and the remedy requested, and issue a written decision within ten (10) days of receipt of the grievance.

If the resident physician is not satisfied with the decision of the CEO or his/her designee, the resident physician may, within thirty (30) days of receipt of the decision, submit the grievance to advisory arbitration by written request to the CEO.

If the grievance is submitted to advisory arbitration, the grievant, his/her representative, if any, and the CEO, or his/her designee, shall, within five (5) days of receipt of the grievant's request, set a date for a meeting to:

1. Attempt to settle the grievance;
2. Agree to any stipulations;
3. Agree upon the issue statement (the issue statement will reflect the issue as presented in the original grievance as written on grievance form); and
4. Select an impartial arbitrator.

SELECTION OF THE ADVISORY ARBITRATOR

- a. If the parties fail to agree on an arbitrator, a list of five neutrals will be jointly requested from the Federal Mediation Service, the State Mediation and Conciliation Service, or the American Arbitration Association. The agency will be mutually selected.
- b. The parties shall select a neutral by alternately striking a name from the list, with the remaining name being the selected neutral. Should both parties agree that the first list submitted is unsatisfactory, the parties may request a second list.
- c. The arbitration procedure shall be informal and private. The arbitration procedure shall not be bound by any of the rules of evidence governing trial procedure in state courts.
- d. The arbitrator shall not have the power to add to, subtract from, or otherwise modify the provisions of any MOU, Rules, Regulations, local ordinances, or the policies and procedures of the Authority.
- e. The arbitrator shall confine himself/herself to the issue submitted.
- f. The arbitrator's decision is binding upon approval by the Kern County Hospital Authority Board of Governors.
- g. The cost of the arbitrator shall be borne equally between the Authority and the grievant. Each party shall bear its own costs relating to the arbitration including, but not limited to, witness fees, transcriptions and attorneys' fees.
- h. The arbitrator shall be requested to submit his/her decision within thirty (30) days from the close of the hearing.

ARTICLE IX – SEVERABILITY

In the event that any provision of this MOU is found to be in contradiction of any federal, state, or local law or regulation, or found by any court of competent jurisdiction to be invalid, such invalidity shall not impair the validity and enforceability of the remaining provisions of this MOU.

ARTICLE X – STABILITY OF THE MOU

- a. No agreement, understanding, alteration, or variation of the terms and conditions of this MOU shall bind the parties hereto unless made in writing and executed by the parties.
- b. The failure of the Authority or CIR/SEIU to insist, in any one or more incidents, upon performance of any of the terms or conditions of this MOU shall not be considered as a waiver or relinquishment of the right of the Authority or CIR/SEIU to future performance of any such term or condition, and obligations of the Authority and CIR/SEIU to such future performance shall continue in full force and effect.
- c. The parties acknowledge that during the negotiations which resulted in this MOU, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law or the EERR from the scope of bargaining, and that the agreements arrived at by the parties after the exercise of that right and opportunity are set forth herein. The parties, for the life of this MOU, voluntarily and without qualification waive the

right, and agree that the other shall not be obligated to bargain collectively, with respect to any subject or matter referred to or covered by this MOU.

ARTICLE XI – DURATION OF THE MOU

- a. Upon ratification by the CIR/SEIU membership and approval by the Kern County Hospital Authority Board of Governors, this MOU shall become effective and binding upon the parties, pursuant to Government Code section 3505.1.
- b. This MOU may be executed simultaneously in any number of counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Facsimile, email or other electronically delivered signatures of the parties shall be deemed to constitute original signatures, and facsimile or electronic copies hereof shall be deemed to constitute duplicate originals.
- c. The term of this MOU is July 17, 2024, through June 30, 2027.
- d. This Memorandum of Understanding is entered into and signed this 17th day of July, 2024.
